25. (Unclassified - MMP) LIAISON Called Mike Flannigan, House Permanent Select Committee on Intelligence staff, to confirm that he will come out to the Agency (5E11) to review the four Pike Committee boxes which have been labeled "DOD".

26. (Internal Use Only - MMP) LIAISON Called Dick Giza, House Permanent Select Committee on Intelligence staff, to determine whether the Committee is planning to hold extensive reviews of the DDO product. He indicated that the Committee will most probably delve rather deeply into an evaluation of the DDO product, at least partially because they see so little of DDO's production. Dick also said that Representative Charles Rose (D., N. Car.) would be coming out to the Agency on 2 May to read two NIEs and would like to see the DCI the same day. Several phone calls later, it was agreed that Mr. Rose would come out on the 4th of May to read the NIEs and meet the DCI.
